Wa:k Ceksan ROYALTY

S-ke:g Taş!

A:ñi añ ap ce:gig Reyna Pablo. Añi gamai-gigi'iik ahidak. Ñe mashcmakud Ombudsman High school. Ñ-je'e 'o hab ce:gig Genna Pablo, Ñ-hu'ul 'o hab ce:gig Sally Pablo, Ñ-ka:k 'o hab ce:gig Patsy Ramon, Ñ-wosk 'o hab ce:gig Ervin Antone. Añi Miss Wa:k Ceksan First Attendant 2024-2025.

Good day!

My name is Reyna Pablo. I am 18 years old. I attend Ombudsman High School. My mother's name is Genna Pablo, and my maternal grandmother is Sally Pablo; my paternal grandparents are Patsy Ramon and Ervin Antone. I am the Miss Wa:k Ceksan First Attendant 2024-2025.

My first appearance of the new year was the Miss TON Farewell Celebration. It was an emotional event because it would represent the ending of something great, but it opens new doors for the ladies coming out of their reign.

My second appearance of the new year was the Miss TON Pageant. This was an event I enjoyed. I liked the talent presentation part of the event. To recap my appearances for February, the first appearance my sash sisters and I took part in was the TON Parade, where the theme was 'Celebrating our O'odham Superheroes'. We honored our loved ones who were in the armed services and our Chairman, Austin Nuñez, who is seen as a superhero in our community. I also took part in the grand entry at the pow-wow grounds later that day.

The second appearance my court and I participated in was the 100th Annual Tucson Rodeo Parade. That morning, we started by decorating the horse carriage with flowers. The horse that pulled us was so beautiful, her name was Angel. For this parade, there were so many people. The next day was the Miss Tohono O'odham Nation Recognition Celebration. I was asked to introduce the MCs. This was very nerve-racking since I had never opened an event like this. However, it didn't seem as scary as I thought once I started talking. The evening turned out well, and my court and I helped serve dinner to the elders and people in attendance.

The Pisinemo Pageant was an event I'll cherish. I always like seeing the district royalty's pageants. That same weekend, we had a baked goods fundraiser at the 40th Annual Wa:k Pow Wow. My sash sisters and I took part in the grand entry. I loved seeing the colorful regalia of the dancers.

That would conclude my recap of my appearances for January to March.

For April, I attended the 42nd Annual Miss Native American UofA Pageant and the Gila River Royalty Pageant. My first appearance of May was the 27th Annual Elders Day, to begin the event, fellow royalty and I greeted and took pictures with them as they walked in. We also assisted in passing out refreshments. It was nice seeing my family from other villages. The District Memorial Service is always a memorable event since I have family members in the service. At the Nation's Memorial Day service, my sash sisters and I assisted in placing the wreaths.

I want to thank the parents, guardians, sponsors, and the community.

Mas-p'o, Thank You

Danaliah Miguel, Jr Miss Wa:k Ceksan
2nd Quarterly Report (January – March)

Over the past three months, I have experienced more events and gotten closer to my sash sisters. It's been fun, and I've been enjoying it a lot. I went to the Miss Tohono O'odham Nation Farewell and Pageant, which I enjoyed. I met other royalties there, talked with a few, and grew closer to them.

Our very own community member was crowned Miss Tohono O'odham Nation for 2024-25, A'Dream Lake. Congratulations to her. We attended a blessing for her at our community mass.

We participated in the TON Rodeo Parade at the end of January. Their theme was about superheroes. We all agreed that our Chairman, Austin Nunez, and our veterans, past and present, were our superheroes. Thank you, Chairman Nunez, for participating in the parade. We participated in the 100th Tucson Rodeo Parade, which I enjoyed and had fun at. I saw many people, even though it was hot; it was a time that I enjoyed while joking around with my sash sisters.

We weren't able to go to the Pisinimo event because we had our annual pow wow during that time. This big fundraiser was a success, and we participated in the grand entry. Some people asked where I was from, so it was a good opportunity to practice my public speaking.

We participated in Native Nations Day at the El Presidio in downtown Tucson. We had a display of what we do as royalty, so I got to practice my public speaking. Visitors asked us questions, and we also learned about others and a little history, which was a good opportunity for me and my sash sisters. We attended the Miss Native American UofA farewell celebration after the El Presidio event.

These three months have been enjoyable, and I hope the next three months will be the same.

Lil Miss 5-8

Jr. Miss 9 – 13

Miss 15 – 21

PAGEANT AGENDA PREPARATION

PRACTICES – OCT 6-10, 2025

PERSONAL INTERVIEW (Jr. Miss & Miss) – OCT 17, 2025

PAGEANT – OCTOBER 17, 2025 @ 5pm

NATURAL RESOURCES

Greetings Wa:k Community!

We hope you are doing well & taking care of yourself. We were fortunate to have three youth workers join us this summer: Mia Gonzales, Santiago Toro, and Anthony Conde. Mia worked with our office staff, Santiago helped the Groundskeepers crew, and Anthony assisted the Laborers (Fence Crew). They only have a few more days with our department, but we wanted to say “thank you” to each of them for being dedicated to the program, sharing their ideas, working in the heat, and most importantly, learning what our department is about. We wish them well as they move forward in life.

Natural Resources Specialist:

Over the past year the Natural Resources Department has noticed a troubling trend at the Ha:san Cemetery Charco. Any cemetery should be a place of peace for both the deceased and their grieving family members. Unfortunately, that peace has been disrupted by drug and alcohol fueled target shooting at the adjacent cattle tank. Not only is the area being utilized as a shooting range, the household items, general refuse, and alcohol bottles used as makeshift targets are left for the District, and community members to pick up and haul out. Additionally, the cattle tank infrastructure has been vandalized via bullet holes, ultimately degrading the integrity of the pipe used to transfer water into the tank. Lead, the main component of a projectile, is an environmental contaminant that leads to lead poisoning of our livestock, our wild animal relatives, as well as the individuals that eat meat harvested from these animals. We implore you to find a more appropriate location to exercise your constitutional protected second amendment right.

Administrative Assistant:

Recently, we made some slight revisions to our Wa:k Hikdan Use Form. SxD Community members can still reserve the Wa:k Hikdan, just stop by our office and see Miranda for the form and availability.

If you have any questions, thoughts or comments please contact us at: David Tenario (520) 573-4056, Geena Johnson (520) 573-4055, Morgan Parsons (520) 573-4057, Ulrick Francisco (520) 573-4054, or Miranda Flores (520) 573-4053.

Enjoy & have a safe 4th of July Holiday!

David Tenario, NRD Director

Hello Summer

Greetings from the SXD Housing Department

Preparing your home for summer, prioritize maintaining your cooling system, inspecting, ensuring safety, and keeping outdoor areas clean and maintained. These actions will help you stay comfortable, protect your home from damage, and enjoy your summer.

Cooling system maintenance—. To ensure your air conditioner runs efficiently and effectively during the summer, remember to **change filters regularly, clear the area around the outdoor unit, and schedule professional maintenance**

Declutter your yard to deter snakes and rodents this summer, focus on eliminating elements that attract them: **food, water, and shelter**—don't leave food outside it can attract rodents and other critters, eliminating standing water, remove shelter areas, store piles of wood and other debris away from your home, Check outdoor furniture snakes can hide under furniture, be vigilant when checking areas around your home.

Water usage during the summer months residential water consumption in Arizona can be up to 70% higher in the summer than other times of the year, mainly due to outdoor irrigation.

Introducing New Housing Department employees:

- ♦ Summer Youth workers: Reyna Pablo and Angel Rodriguez, both have been busy with the tradesmen completing workorders.
- ♦ Housing Department , Administrative Assistant, Melissa Moreno, contact information 520.573.4044 or melissamoreno@waknet.org

Drink plenty of water through out the day & continue to check on the PEOPLE, PETS, AND PLANTS.

SXD Housing Department Receptionist -
520.573.4043

SXD Housing Manager—520.573.4042

Covid Department

July

Covid office Provides...

- **Covid Tests**
- **Covid Box (if you test positive)** includes Personal Protective Equipment (PPE) and cleaning supplies for your household.
- **PPE for community events, funerals, and anniversaries, when requested.**

Reminder - Rent & Utility Assistance Concluded

As announced, October 15, 2024, we have exhausted ARPA funds for Rent/Mortgage Assistance and Utility Assistance. **This program has concluded under the ARPA Grant and will not return.**

Covid News

CDC still recommends staying up to date on vaccines, as these reduces risk and serious complications. 95% of Covid hospitalizations are not up to date on Covid vaccination.

Water Filters

We still have two types of water filters: Purr Plus (screws on water tap) and iSpring Water System (Countertop system)

We currently do not have replacement filters for these systems, announcements for replacement filters coming soon!

Senior Services

Marian Joaquin
Senior Services Director

Greetings Elders!

Hope you all are keeping cool and hydrated. The weather is very hot and dry if you have errands to run it would be best to do those early mornings before it gets too hot. Look out for snakes; it is that time of the year when snakes are out. Keep your yards clear of clutter and be safe.

Senior Services has two youth workers this summer, Lailanie Carlyle and Anitza Mesa. They are both doing a great job helping prep, serving meals, and riding along with the Home Health Techs on some home visits. It is a great pleasure to have them working with us and having fun, they both made cecemait and baked goods for our clients.

Senior Services has been busy with the services we provide to the elderly, including home health visits, medical/congregate transport, medication pickup/delivery, meals, breakfast/lunch, and medical supplies delivery.

On Wednesday, we took our congregate elders to the Botanical Garden. They all enjoyed themselves and the weather before it got hot. I thought I would share pictures of our elders and summer youth employees.

If you have any questions or concerns, please do not hesitate to contact me here at the Senior Services office. You can reach me at either my office, 520-573-4064 or 520-585-3241.

S-ke:g Tas Wak Community,

What a very busy month for us at the San Xavier Education Center. We just completed our K-6th Summer Reading "Adventure Begins at Your Library" program. The Summer Reading Program concentrated on STEM activities, cultural & language, and physical activities. The program concluded on June 20, 2025. We took the students on field trips to the AZ Science Center in Phoenix, AZ, and the Cholla Jumping Trampoline Park. In addition to our Summer Reading Program, we also had the Early Risers Program for incoming kindergartners. A total of 8 students participated. This program concluded on Thursday, June 19, 2025.

The San Xavier Education Center was fortunate to work with several Summer Youth Workers as volunteers this summer (Leticia Fontes-Salcido, Armando Mesa, and Lily Roethler). All three youth workers were busy assisting instructors Sarah McCovery-Leon in the Early Risers Program and Anna Butler, Elizabeth Ortega, and Delphine Saraficio with the Summer Reading Program with various cultural/STEM activities. We appreciate the time our youth workers have given us this summer! All of you are amazing!

Carmen H. Martinez, Program Administrator

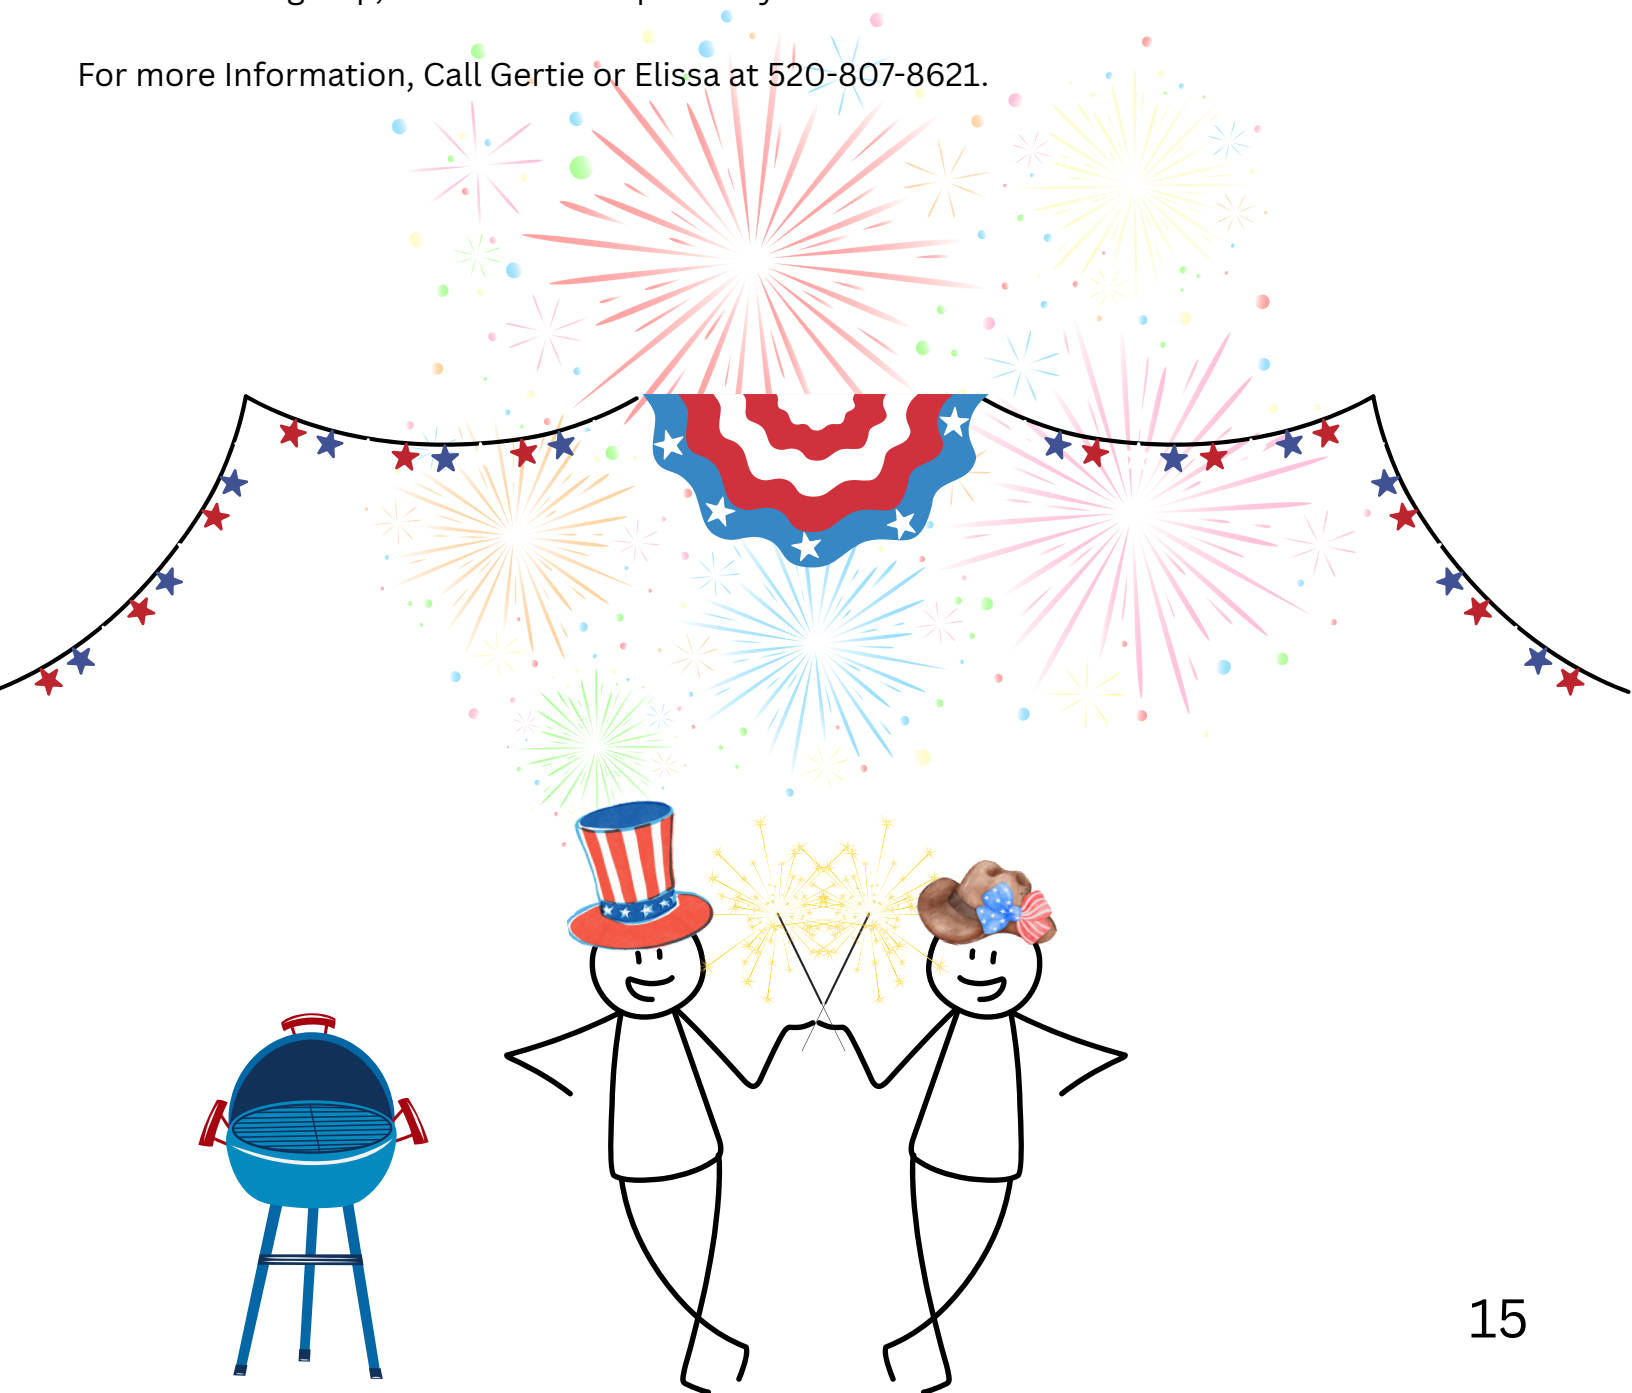

Learning Resources Coordinator-
Gertrude Lopez
Learning Center Aide-
Elissa Encinas

The library has been on an upswing with our Summer Infant/Toddler program. A huge thank you to all the parents/guardians for bringing their children for fun learning activities. Our theme this summer is “Color Our World.”

Our next Infant/Toddler session will be held July 7–17 from 10:30–11:15
For Ages 0–3 yrs.

No Need to Sign Up, You Can Show up on July 7th.

For more Information, Call Gertie or Elissa at 520-807-8621.

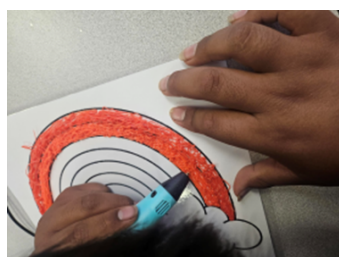

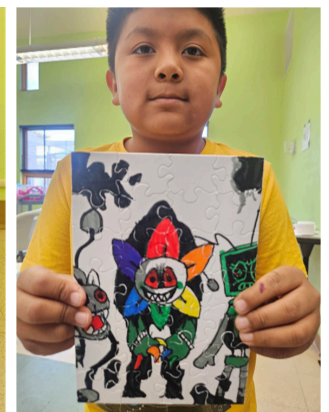

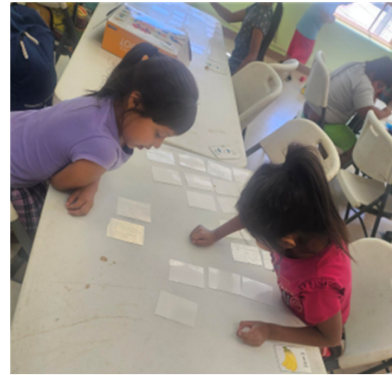

Cultural Language Teacher
Elizabeth Ortega

S-ke:g Taş Wesig 'Em Wui,

The Summer Reading Program is happening now. The theme is “Color Our World.” The students have been learning the O’odham conversation, 'Añi ap ce:gig, colors, numbers, S-ke:g Taş, Seven Days of The Week, STEM Robotics, 3D-Pens, and singing in O’odham. Several of the students are speaking and writing in O’odham for the first time. The students help each other in hands-on activities, songs, and words that are taught each day.

Attached are photos of the students participating in hands-on activities.

Wa:k O’odham Ñi’okĩ for San Xavier Community members will begin in August, be on the lookout for more information.

Hello students and Families,

Summer has gone by so fast this year, and soon, we will prepare our students to return to school. I hope everyone, parents and students, had a long, fun, and relaxing vacation this summer.

Here is what's been happening over the summer at the Education Center

We started with the Summer Reading Program (1st - 6th graders) in June!

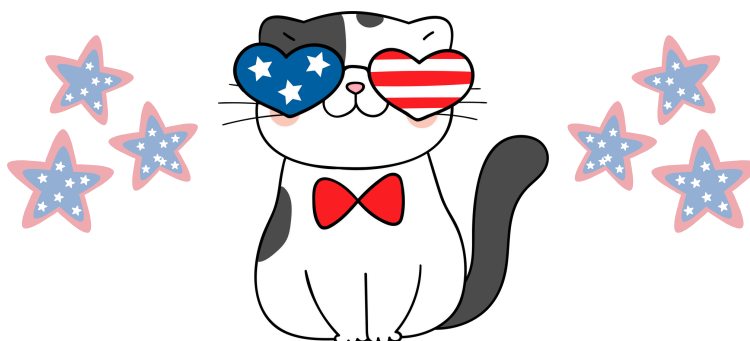

The students had the opportunity to spend time with us and learn more about STEM in math, science, reading, and the O'odham language. Our students had a great time learning how to make solar ovens and a cloud in a jar, to mention a few things they did during the program. I would like to thank all the families and students who participated in our summer reading program. I hope to see you again next summer in our program.

Next, we had our Recognition Day on June 23. These students were recognized for receiving rewards throughout the school year. We treated them to a day of fun by eating pizza and watching a movie at Harkins Theatres.

Here are some upcoming events in July to keep your eyes open for.

- Middle School Summer Program (Begins June 30 and ends July 14th, 2025)
- Back-to-School Rally July 12, 2025
- SXD Ed. Center & AZ Science Center STEM Camp (July 14th-18th)

I hope you all continue to enjoy your summer with your students. Have fun, be safe, and make sure you all stay hydrated during this hottest month.

ALL San Xavier District Members
